

Other Information

Covid-19 - The Department of Health and the office of the Chief Medical Officer have advised that there are no new requirements in respect of managing COVID-19.

The key messages are as follows:

- Stay at home if you are unwell
- Maintain a good standard of hand hygiene, respiratory etiquette, ventilation & cleaning

Contact Details - Just a reminder that if you change your contact details during the school year, including your email addresses and phone number, to let Eilís know as soon as possible. It is vital that we have up-to-date contact details for all parents in case of emergencies.

Absences - Please note that we are required to report children with 20 days or more absences in a school year to the Child and Family Agency, Túsla. If your child has been absent from school, a written note is required as these notes are used in our returns when explaining absences. Notes are at back of school journal.

Contacting the School - Please note that, Eilís, works on Thursdays. Email is usually the quickest and best way to make contact with the school outside school opening times.

Morning Supervision - Morning supervision by teachers takes place from 9.10am-9:20am before school starts. I would like to make parents aware that any child that is in the yard before this time is **NOT** supervised and parents are doing so at their own risk. The school has no responsibility for the supervision of children at these times even if the principal/teachers are on the school grounds.

Allianz Pupil Insurance - Please see note attached.

Annual permission Slip - Please see attached.
